Paint & Color Consultancy

- **Site Health Checkup:**

Make an appointment with our experts to get your site health checkup. Our representative will visit your site, observe the surface condition and defect.

- **Consult with the expert:**

The team will discuss about their findings of the surface and share their thoughts on best painting solutions, including- materials, tools, techniques, types of paints, choice of colors, shades and designs altogether.

- **Color Combination Suggestion:**

Color selecting can be vexing. Considering the condition and structural plan of your space, our consultant would recommend hue, shades & tones. From 1050 COLOR fest collection, we propose urban greens and reds for art and craft era home, while bohemian colors such as honey joy and birds of paradise. Blues and greens soothe, yellows uplift, orange and red tones excite, while relay on beige and brown for a relaxing room. It is all about how you want to your room to feel. So, our color consultants perceive the ambiance of the place and advices the shade of colors which complement it perfectly.
